GENERAL CONVENTION OF THE CHRISTIAN CHURCH  
Dayton, Ohio

This is the sixteenth issue of *The Christian Annual*, under the editorial management of the present, but retiring, editor, and with it he yields his pen and place to one more competent, and well worthy of the place he takes, and the confidence of those he serves.

Notwithstanding the demands upon his time and strength, the editor has found much real pleasure in the work assigned him. He has had a delightfully wholesome fellowship with conferences, and church officers, which he cherishes as rare contributions to his memory.

No one knows as well as the editor, the incompleteness of the various issues, and now that what he has written he has written, there comes to him a keener sense of the incompleteness of his work, and with it a very real and deep appreciation of the patience and forbearance, and the co-operation of all who at any time, or in any way, had to do with the compilation, the preparation, the printing, and distributing of the book.

The editor owes much, and very graciously acknowledges the debt, to the Convention stenographers, the linotype men, the foremen of the composing and press rooms, the proof reader, the make-up man, and many others whose kindly co-operation made it possible for the book to be as complete as it is, and they each and all have the editor's sincere thanks and kindly wishes.

It has been a satisfying pleasure to see the publication grow in size and usefulness, and it may safely be predicted that under the new editorial management its usefulness and popularity will rapidly increase. There are many reasons for preserving the history of the church, as the years go by, and a very definite and growing need for information, and there is no better way to preserve the history of the church, and supply the needed information, than by *The Christian Annual*. The book should continue to go to all our college libraries, to the libraries of other religious institutions of learning, to secular colleges and universities, and should also go to the public libraries, where oftentimes such information as it contains is sought in vain.

With full confidence in the incoming management, and with a prayer for the success of our cause, and with most sincere thanks to all for the co-operation given me, I yield the pen and the place to Rev. Warren H. Denison, D. D., to whom all matters concerning *The Christian Annual* should be addressed.

Dayton, Ohio, December 31, 1926.

The several Boards of the Convention made report, the substance of which will appear in the departmental section of this issue of The Christian Annual. During the consideration of the report of the Board of Publications, it was voted that the word treasurer should be used instead of Financial Secretary, and that all advertisements used in The Herald of Gospel Liberty, must be approved by the editor, and that departmental editors and editorial assistants must be approved by him.

The General Board approved the nominations submitted by the joint boards of Christian Education, and Publication, and voted that they become the nominees of the General Board of the Trustees of The Christian Publishing Association. The nominees as presented are as follows:

DR. W. A. HARPER, Chairman of Board, Editor of The Journal of Christian Education, Editor-in-chief of Sunday-school Literature.

MR. HERMON ELDREDGE, Field Secretary Administrative Division, Editor Young People's Quarterly, Editor The Sunday School Herald, Managing Editor

Sunday-school Literature, Associate Editor The Journal of Christian Education.

MISS LUCY ELDRIDGE, Field Secretary of the Young People's Division, Associate Editor The Journal of Christian Education.

MRS. F. E. BULLOCK, Field Secretary and Editor of Children's Division, Associate Editor The Journal of Christian Education.

DR. S. Q. HELFENSTEIN, Editor Adult Quarterly, Associate Editor of The Journal of Christian Education.

DR. A. B. KENDALL, Contributor Christian Endeavor Notes in The Herald of Gospel Liberty.

DR. W. P. FLETCHER, Adult Secretary, Contributor Notes for Adult Department in The Herald of Gospel Liberty.

These nominees were duly elected by the Board of Trustees. The report gave an extensive history of The Christian Annual which included the following facts and recommendations:

The Board of Publication has found that The Annual for 1927, which is being prepared by Dr. J. F. Burnett, Secretary of the Convention as Editor, will cost for the same size and of similar content just a little more than last year, as prices are steadily advancing.

Hence we recommend,

First, That The Christian Publishing Association print the same at cost.

Second, That The Christian Annual be designated the Official Year Book of the Convention for the following purposes:

1. Convention Officers and Committees.
2. Proceedings of Executive and General Boards.
3. Reports of various departments.
4. Roll of ministers in the various Conferences with post-office address.
5. Roll of Churches, Sunday-schools, Christian Endeavor, Missionary, and other societies of Christian Churches.
6. History of dedications, ordinations, offerings, and deceased ministers.
7. Outstanding events of the Church.
8. Reports of all our Educational Institutions.
9. Officers of the Regional Conventions.
10. The entire Church, Sunday-school, and Christian Endeavor statistics by conferences.
11. For a record of all other happenings of interest to the general church membership.

Third, We recommend that the General Convention, through its secretary, as Editor of The Christian Annual, be responsible for the cost of its publication which shall be paid by the General Christian Convention to The Christian Publishing Association at the time of its issue; that the distribution of The Annual shall be in the hands of The Christian Publishing Association; that after three months from the date of publication, the General Convention shall reimburse for this cost, less the sales which have been made, by apportioning this difference to the several departments of the Convention and to The Christian Publishing Association on the following basis:

The Christian Publishing Association .....	20%
Board of Publications .....	20%
Board of Missions .....	20%
Board of Christian Education .....	20%
Board of Evangelism .....	5%
General Christian Convention .....	15%

100%

The report of the Board of Publications was tentatively approved except that one item about the cost and distribution of The Christian Annual which was referred back to the Board for further consideration. Later on in the session the Board of Publications presented the following which was adopted:

That the Secretary of the General Convention and one representative from each department be a committee to decide upon the price and contents of The Annual.

In addition to the above the Board of Publications submitted the following which was adopted:

In accordance with the report of the committee on organization adopted by the Urbana Convention we submit for your approval our selection of O. W. Whitelock as manager of The Christian Publishing Association for one year ending October 1, 1927, and that as promptly as possible our Executive Committee shall select and employ an Assistant Manager who will first assume the duties of Circulation Manager and who under the direction of the Manager shall acquaint himself with all other details of the business with a view of taking over the management of The Christian Publishing Association October 1, 1927, including the circulation of our periodicals.

This consolidation we feel can and must be done for the sake of economy in the conduct of this business.

By vote of the General Board, Ulysses G. Brownell, of New Bedford, Mass., was elected a member of the Board of Publications to succeed F. C. Brownell, of Fall River, Mass., who had resigned his membership on the Board.

During the consideration of the report of the Department of Evangelism and Life Service the following resolution was offered and adopted:

Resolved, That the treasurer of the Forward Movement be instructed to pay to the Department of Evangelism and Life Service from the funds coming into his hand from the Forward Movement subscription up to the sum of \$2,500.00 less the actual cost of collection.

The Board of Christian Education submitted a report covering in detail the condition of the department and the work it has done and has planned to do. Among the outstanding things recommended by the Board of Christian Education and approved by the General Board, the following should be mentioned:

The Board adopted the policy of vigorous promotion of our Summer Schools, with the thought of making them more and more institutions providing credits in leadership training of high school, college, and graduate grades. In these Summer Schools also the Board adopted the policy of promoting the general aims and program of the General Convention. In order to make this plan effective, although the General Board has placed responsibility for the Summer School program on the Board of Christian Education, it was decided to ask each constituent Board of the Convention, to appoint a representative to serve on the Summer School Program Committee, the purpose of this committee to be to outline courses of study, and suggest possible faculty members for our various schools. Also in this connection it should be said that the Board voted to continue the nine schools already in existence, and approve the idea of opening an additional school at Union Christian College, this summer.

The Secretary of the Young People's Division submitted a program for 1927 for the Young People's work, entitled "Youth in Partnership with Jesus Christ," which was unanimously adopted as follows:

Themes for monthly emphasis—

January—A Year in Partnership With Christ and With Others.

February-March—In Partnership for a Christian World.

April—In Partnership Through Christian Decisions.

May-June—In Partnership for a New American.

July—In Partnership for a Better Leadership.  
 August—In Partnership in God's Out-of-Doors.  
 September—In Partnership With Our Colleges.  
 October—Organized for Service in the Local Church.  
 November—In Partnership Through Giving.  
 December—The Way to the Best.

Upon the recommendation and request of the Southern Christian Convention, we recommend the approval of Miss Pattie L. Coghill as Regional Director of Christian Education in that Convention. It was voted to leave the safeguarding of the Board's interests in the Julia Wilkinson farm to Dr. Omer S. Thomas and the Home Mission Department.

The Scholarship Committee submitted a new blank for applications for scholarship aid which was approved and ordered printed.

The Manuscript Committee recommended that Mrs. Bullock be requested to submit for publication her pageant entitled "The Christian Church" and that Prof. S. A. Bennett be requested to submit his Daily Vacation Bible School course, "Enterprises of the Christian Church."

The Board of Christian Education designates the third Sunday in January as Day of Prayer for the Colleges.

In co-operation with the Board of Evangelism and Life Service, the Board of Christian Education voted to promote a Life Service Day.

The Special Committee on Colleges of the Board is to arrange for the promotion of College Day throughout the denomination, at some appropriate time in the fall.

The trustees request this Board to promote a Summer School at Union Christian College beginning June 14, when they purpose to have a public service projecting the new type of school, the time of their annual trustee meeting.

A committee consisting of Rev. E. A. Watkins, President, Rev. J. T. Brooks, Trustee, and Dr. A. B. Kendall, member of this Board was appointed by the trustees to plan the courses of study and arrange for a faculty for the new school.

The Board of Christian Education approved "An Integrated Program of Religious Education," by Harper as a Leadership Training test for summer school and leadership training classes for credit in the Christian Church, and recommended same to the International Council for its approval.

The Board of Christian Education took action in regard to the General Convention's suggestion for an all-time College Secretary and voted to elect and put in the field as soon as possible a Secretary for Higher Education to be known as the General Secretary of the Board of Christian Education.

A Supplementary report of the Board of Christian Education was offered and adopted as follows:

That the Executive Committee of this Board be made the Investing Committee of this Department.

That Hermon Eldredge be the bonded custodian of the funds of the Department at headquarters.

The Committee on Colleges recommends and the Board in session approves the employment of Dr. W. A. Harper, as full time General Secretary of the Board and Secretary of Higher Education, details of the agreement covering

salary, expenses and program of work to be determined by the College Committee in consultation with Dr. Harper.

The Foreign Mission Board submitted its report which is given substantially in the departmental section of this issue; the same being true of the report of the Bureau of Christian Stewardship and Promotion.

The report of the Board of Home Missions showed that the Board of Home Missions was adhering to the policy of reducing its appropriations to local churches at least twenty percent each year; that it was co-operating in the pastors' summer schools, and that the incoming secretary, Rev. A. W. Sparks, had been appointed a member of the summer school program committee with instruction to suggest courses of study for missions and faculty members who may teach in summer schools; that it had appointed to the home Missions Council, and on committees as follows: Town and Country, Rev. A. W. Sparks; New Americans, Rev. H. W. Hainer; Indian Committee, Mrs. Athella M. Howsare; Negro Committee, Rev. H. H. Short; to attend the Home Missions Council in Philadelphia, in January, 1927, Rev. H. H. Short and Rev. A. W. Sparks.

In order to free the New American Home at Haverhill, from taxation the Board has made a proposition to the New England Convention by which the property would be taken over by the New England Convention. It was also voted to transfer the Manchester property to the New England Convention.

It was decided that everything possible should be done to liquidate the indebtedness of this Board by December 31, 1927, and for this purpose the following plans were authorized:

Voted that we authorize the Home Mission Secretary, to send out pledge booklets for the liquidation of our debt, and to make personal solicitation to the same end.

Voted that the members of the Board, in co-operation with the Home Mission Secretary, do all in their power to put across the program of the Home Missions; that Regional Conventions, Conferences, pastors, churches, summer conferences and friends of Home Missions be requested to co-operate in the entire work of the Board and to make a special effort toward the liquidation of the debt.

Two new fields are being aided this year—Dayton View, Dayton, Ohio, and Hyde Park in Brooklyn, N. Y.

#### Appropriations made for churches:

Defiance College, Albany, Mo., Bangor, Maine, Brooklyn, N. Y., Columbus, Ohio, Crown Point, Dayton, Ohio, Earlston Field, Pa., Irvington, N. J., East Hounsfeld, N. Y., Lynn, Mass., Manchester, N. H., Muncie, Ind., Red Cloud, Nebr., Walnut Hills, Dayton, Ohio, West Mansfield, Mass., Dayton View, Toronto, Ont., Hyde Park, Brooklyn.

Aid is also being given to field secretary work as follows:

D. P. Hurlburt, in the Maine Conference; Field Secretary in the (Rays Hill and Southern Pennsylvania) Field; Rev. C. G. Nelson, Red Cloud, Nebr.; Prof. J. N. Dales, N. Y. C. Conference; and appropriations for expenses of three men in the Western Convention.

Appropriations were made for special work:

Indian, Haverhill, Mountain, Western Washington, Franklinton, Pastors.

Other items of budget: Administration, \$5,000; Christian Missionary Deficit, \$500; Annuity Interest, \$200; Home Missions Council and Missionary Education, the amount of our assessment estimated at \$125; miscellaneous,

\$1,000; Interest on borrowed money, \$500; Deficit, \$21,000; Church Extension, \$10,000. Total (\$56,900).

The Board of Finance submitted its report which was amended and adopted as follows:

The Board recommends that the Secretary be authorized to make such adjustment as to equipment in the offices of the Secretary of the Convention and that of the Bureau of Christian Stewardship and Promotion as may best suit his purpose, and that the proceeds from any sales be distributed by him as may seem appropriate.

The Board recommends that in view of the lack of data and time to study them carefully, and in view of the fact that we are now starting a new Budget Plan and desire to inaugurate it as carefully as possible, more time be given the Board to fix the budget amounts and apportion them to the conferences, and that their report when ready be submitted to the Executive Committee for its approval.

The Board recommends the following percentages as a basis of distribution of funds accruing from the Budget Plan as adopted by the Convention:

Home Missions .....	25%
Foreign Missions .....	34%
Christian Education .....	25%
General Convention .....	6%
Evangelism and Life Service .....	5%
Miscellaneous .....	5%
	<hr/>
	100%

The Board recommends that each board handling funds be requested to properly bond such officers as handle money, and submit such statements to the Board of Finance, naming the persons handling money, an approximate amount of the money handled by each, and the amount of bond required, in harmony with the constitutional provision.

The Board recommends that boards and departments having funds for investment see that proper Investment Committees be selected as directed by the General Convention.

The Board recommends that Dr. F. G. Coffin, John G. Myers, and Perry G. Yantis be the Investment Committee, of the General Convention funds.

It seems to your Board that the designation of the second Sunday in April as Christian Unity Sunday, with an offering for the Federal Council, and other Christian Unity work, was due to an oversight, as January is Christian Unity month in our church program. The Board therefore recommends that the offering be made on the first Sunday in February, as the Convention offering is taken on the second Sunday in January.

Since the Board of Finance is made up of several ex officio members, the Board recommends that the General Board fix the salaries of the Convention officers.

The Board recommends that the manner of accounting and of book forms for the Secretary of Finance, be suggested by the auditors of the convention, who shall also be auditors for the Board of Finance.

The banks to be used for the Convention and Board of Finance shall be suggested by the Investment Committee of the Board of Finance.

It is resolved that the Carversville Orphanage be allowed to take the usual Christmas offering this year. This was referred to Committee on Orphanages which reported negatively.

The Board of Finance hereby calls attention of all the Board of the Convention, to the action which the Convention took at Urbana, concerning departmental solicitation from individuals for the support of their work.

The Board recommends that all Forward Movement moneys received after January 1, 1927, be held intact and distributed on the same basis as heretofore

when \$1,000.00 or more is received by the Secretary of Finance, and at the end of three months in any case and that any funds in the hands of the retiring treasurer of the Forward Movement, J. O. Winters, be turned over to the Secretary of Finance of the Convention after January 1.

On motion of J. F. Burnett the following additional action on Forward Movement funds was taken "That the treasurer of the Forward Movement be instructed to pay to the Department of Evangelism, from the funds coming into his hands from Forward Movement subscriptions, up to the amount of \$2,500, minus the actual expenses of collection."

The Board's item above was adopted to be followed after the above grant to the Board of Evangelism and Life Service.

The Board requests all boards and departments to furnish it with itemized statements of their proposed budgets, as a basis for making a denominational budget.

That D. B. Atkinson be the representative from this Board on the committee of Summer Schools Program.

The proceedings of the General Mission Board of the Christian Church, was submitted and adopted as read except the item referring to The Christian Annual which was referred to the Board of Publications, and amending another giving the editor of The Christian Missionary authority to make club rates as might be suitable. The following items are copied from the original report:

*First.* Resolved, That we express our appreciation of the faithful and efficient services Dr. W. H. Denison has rendered in the twenty-eight years he has been recording secretary, or president of the Mission Board, and that we wish him every possible success in the new field to which our church has called him.

*Second.* That we express our deep appreciation to Dr. Omer S. Thomas, Secretary of Home Missions of the Christian Church for the past twelve years, for his faithful, conscientious, and efficient service in promoting the interests of Home Missions throughout our church, and in the many other services he has rendered. While we regret exceedingly his leaving our Board, we extend our best wishes for his success and happiness in his new field services.

*Third.* That this Board extend to Mrs. Emily K. Bishop, the assurance of our loving remembrances of her years of devoted service, and pray that our Father's most tender blessings may continue to attend her.

*Fourth.* That the members of this Board assure our Secretaries of our continual and prayerful interest in their heavy administrative tasks, and our appreciation of their faithful service.

*Fifth.* That the Mission Board pay the sum of \$355.10 toward the deficit of the 1926 Christian Annual, but that this Board requests the Board of Publications to provide for a contract in advance of publishing the next Annual, with some proper method for financing the same.

Your Committee appointed to adjust the difference in payment for claims in publishing The Christian Missionary, recommend the payment of \$442.50 by the Mission Board to The Christian Publishing Association, on the claims to October 1, 1926. As to future publication and price we recommend a Committee of three be created—one of whom shall be appointed by the Mission Board, one by The Christian Publishing Association, the third member to be selected by the two above designated, which Committee shall go into the cost of publishing The Christian Missionary, and report their findings with a stipulated price, which price is to be the basis of contract for the coming year; provided that neither member of the committee above designated shall be chosen from The Christian Publishing Association, or the Mission Board.

We find a difference of \$35.00 per month between the two parties to the proposed contract for the coming year, and recommend that this difference be divided in payment until the Committee shall report upon the price and the new contract is signed, and that the adjustment shall be made on the basis

of the contract retroactive from October 1, that is to say, the Mission Board shall pay on a basis of \$190.00 per issue for 4,000 copies, until the Committee reports and their report is adopted. This amount to be increased or decreased according to the Committee's finding from October 1.

It is with gratification that the Mission Board, and we believe, the whole denomination has seen The Christian Missionary grow in artistic beauty and usefulness. Each month it is filled with valuable information about our mission fields and helpful suggestions for mission work in the local church.

Through Dr. Minton's untiring efforts it has become indispensable to all mission workers. It is with regret, however, that we have noticed the deficit on publishing the magazine become greater each year, due largely to the increase in printing costs.

The Mission Board finds that the cost of printing will be so much higher the coming year that the magazine can no longer be published at the present price.

Consequently the Board has felt itself forced to decide that after March 1 the subscription price of The Christian Missionary will be one dollar per year, instead of fifty cents as at present.

While we regret this raised price, we believe all readers of the magazine will agree with the Board that the value of The Christian Missionary far exceeds this subscription price.

Full power is left with the Editor and Publisher with reference to Club subscriptions.

The following named officers were duly elected:

President—Rev. W. P. Fletcher, Oshawa, Ontario.

Recording Secretary—Mrs. Athella M. Howsare, Dayton, Ohio.

Treasurer—Rev. A. W. Sparks, Dayton, Ohio.

Editor and Publisher of Christian Missionary—Dr. W. P. Minton, Dayton, Ohio.

Associate Editor—Rev. A. W. Sparks, Dayton, Ohio.

Auditors—A. F. Chase, Dayton, Ohio; S. O. Albaugh, Dayton, Ohio.

Investment Committee—Rev. W. P. Minton, Dayton, Ohio; Rev. A. W. Sparks, Dayton, Ohio; Mrs. Athella M. Howsare, Dayton, Ohio.

Mission Council—Rev. W. P. Fletcher, Oshawa, Ontario; Rev. A. W. Sparks, Dayton, Ohio; Mrs. Athella M. Howsare, Dayton, Ohio; Rev. W. P. Minton, Dayton, Ohio; Rev. A. W. Hirby, Dayton, Ohio; Rev. E. A. Watkins, Urbana, Illinois.

The report of the Board of Control of Franklinton Christian College, submitted its report which was adopted as follows:

That the Board of Control be instructed to place a man in the field at the earliest possible date, and that after a strenuous attempt at fund raising the Board of Control report its situation to the Executive Committee for action.

We request that Franklinton Christian College be written into the budget of the General Convention for \$16,400 for the year 1926-1927. This amount will be expended as follows: Current expenses, \$10,000; interest and payment of one-tenth loan, \$6,400. It is understood that the colored brethren will raise \$6,400 of this amount and any other money which they may raise for the current expenses of the College will be credited on the budget.

It is the plan of the Board of Control to employ a white man as Business Manager and Field Secretary, as soon as a suitable person can be secured, the expenses for which office have been included in this budget.

The Department of Evangelism and Life Service was reported by the Departmental Secretary. The substance of this report will appear in the report of the Department in this issue of The Christian Annual.

The Committee appointed on the Carversville Orphanage reported as follows and the report was adopted:

We your Committee on the Status of Orphanages, beg leave to submit the following: that since the Elon Orphanage is already under the supervision and care of the Southern Christian Convention, we approve the work that is being done in that Institution, and that we pledge our hearty and sympathetic support; that whereas, steps have already been taken, looking to the dissolution of the Carversville Orphanage, namely the resignation of the Superintendent and the withdrawal of support of certain Conferences, and partial arrangements looking to the disposal of the Orphans under its care, and in keeping with the feeling that the field occupied by the Orphanage is amply covered by other like institutions. Together with the fact of inadequate equipment and financial support, we recommend that the Carversville Orphanage be referred to the original conferences and agencies, and that the Convention assume no further responsibility, financial or otherwise, with reference to the same.

The committee appointed to make financial provision for the retiring secretary reported as follows. The report was adopted as read:

The establishment of a fund to be known as the Burnett Beneficiary fund by this Board through its Board of Finance.

That this fund be not less than \$1,000.00 a year.

That \$1,000.00 a year or any part of same be available for the use of Dr. J. F. Burnett, Secretary Emeritus of The General Convention of the Christian Church during his life.

That beyond the use which Dr. Burnett may make of this fund that it be carried on for similar purposes in our General Convention.

The Bureau of Christian Stewardship and Promotion was reported by the Secretary. The substance of this report will appear in the report of the Bureau in this issue in The Christian Annual.

The permanent commission on Christian Unity submitted the following which was adopted:

Your Commission propose to set forth in epitomized form the attitude of the church on Christian Unity as reaffirmed at the Urbana Convention, and, embodying this as a part of the same, repeat its overtures to other denominations, and, in addition, suggest by exchange of fraternal delegates, conferences, study and prayer, an effort in behalf of the greatest possible effort toward Christian Unity.

The Commission proposes to continue negotiations with the Congregationalists, looking toward a closer affiliation, as may seem appropriate.

The Commission further proposes to bear fraternal greetings by letter wire, and, in some cases, personal representatives, to other denominational and interdenominational meetings.

In harmony with the will of the Urbana Convention an attempt will be made to promote the idea of Christian Unity among our own constituency. This, in the judgment of the Commission, is the most important part of our task just at this time. We will hope to accomplish this by the following methods:

1. By securing an emphasis on the idea of Christian Unity in the programs of our conferences, and other denominational gatherings.
2. By periodical articles and sermons secured from different writers, both within and without the Commission itself, the same to be used as generously as the wisdom of the editors concerned may approve.
3. The preparation of a suitable volume of tract literature for gratuitous distribution. Among some of the possible titles for this being—

“What the Talk of Christian Unity Is All About”—An outline of the reasons, needs, and advantages of Christian Unity.

"Getting to Close Grips With the Question of Christian Unity"—An attempted outline of how to work out the theory in one's self, and in the local church community.

"Preparing for the Advent of Christian Unity in the Christian Church"—Which will include an emphasis upon bringing our own work up to the highest standards, and inaugurating a common program in our entire body. In other words, try to unite ourselves before we attempt to unite with anybody else.

"Do We Mean It, and If So How Much?"—Pointing out some of the things which will prevent the successful operation of Christian Unity in our body, and the methods of overcoming these embarrassments.

"Planning a Program of Christian Unity in the Christian Church"—That is, recognizing its worthwhileness, educating through it, and making contributions in its behalf.

"Some Necessary Approaches to Christian Unity"—Being an urge upon our people for entrance into comity and co-operation in the common tasks of the Kingdom.

A series of articles, or sermons, for *The Herald of Gospel Liberty*, to be used at such intervals as may be possible, will also keep the idea growing.

The following resolution was offered by Dr. W. A. Harper and adopted by the Board:

Resolved, That Dr. J. F. Burnett be requested to reduce to writing matters of Christian Church history with which he is especially conversant, and also that he collect in a volume his addresses and sermons which have been such an inspiration to our people generally and to our ministers in particular, and that he submit these manuscripts to the Board of Publications.

The memorial from the Miami Ohio Christian Conference concerning Church Report Blanks, was referred to the Committee on Church Blanks.

As a finality all the reports were adopted as read or amended.

Rededicated Sunday, October 3, 1926. Pastor, Rev. O. V. Rector. W. H. Denison, D. D., had charge of the money raising. W. P. Minton, D. The Goshen, Indiana, Christian Church, Eel River Conference

**Freehold Christian Church and Parsonage,  
New York Eastern Conference**

Rededicated after extensive repairs, May 30, 1926. Pastor, Rev. E. F. Mellott. The dedicational sermon was by Rev. Frazer Metzger, D. D., Dean of Rutgers University. Doctor Metzger was pastor of the Freehold Church a quarter of a century ago. The church was organized in 1812, by Elder Spoor, who served it as pastor for forty-two years.

This very beautiful home for their pastor was recently completed by the people at Shiloh, Dayton, to replace the parsonage which was destroyed by fire last January. The new building is of finest construction, beautifully finished throughout, and is one of the most complete and best appointed parsonages in our brotherhood. The cost of the house alone was over \$10,000, all of which was fully provided for before its completion. After being thrown open for public inspection, the house was appropriately dedicated by a service written especially for the purpose by Dr. J. F. Burnett, he himself leading the congregation in the rendition of this beautiful service. Rev. and Mrs. L. T. Proctor, the first to occupy the new home, are promoting all lines of the work in a fine way.—Herald of Gospel Liberty.

Dedicated Thursday evening, September 16, 1926.

The New Parsonage, Shiloh, Dayton, Miami Ohio Conference

**The Mooney Memorial Christian Church, Towanda, Kansas,  
Southern Kansas Conference**

**Rev. R. L. Hendrickson, pastor**

The Towanda Christian Church, dedicated April 25, 1926, by Rev. F. G. Coffin, President of The General Convention of the Christian Church, with all its furnishings, was provided by Mr. and Mrs. M. Orban, Jr., of Whittier, California, as a memorial to the latter's father, Rev. Isaac Mooney, who founded the church. Elder Mooney was one of the pioneer preachers of this farther west. He migrated from Miami County, Ohio, to Illinois, thence to Kansas, in the sixties, preaching his first sermon in Towanda on June 12, 1870. The church was organized July 5, 1876. This organization was effected in the home of Elder Mooney. A beautiful memorial window which had been placed in the old church by his family, was transferred as the center section of one of the new and larger windows of the new edifice. Four of Elder Mooney's sons and daughters, and a number of other relatives were present at the service of dedication. Judge V. P. Mooney, of Eldorado, Kansas, a son of Elder Mooney, gave an address.

## DEPARTMENTS

## Department of Home Missions and Church Extension

REV. A. W. SPARKS, Dayton, Ohio, Executive Secretary

## MEMBERS OF BOARD OF HOME MISSIONS

Rev. H. M. Hainer, New Bedford, Mass.  
 Rev. C. G. Nelson, Red Cloud, Nebraska.  
 Rev. H. H. Short, Hagerstown, Ind.  
 Rev. A. W. Hirby, 312 Edgar Ave., Dayton, Ohio.  
 Mrs. Athella M. Howsare, 1535 N. Euclid Ave., Dayton, Ohio.

The Board of Home Missions and Church Extension was called together by Secretary Thomas. Permanent officers were elected—President, H. M. Hainer; Secretary, Mrs. Athella M. Howsare.

The situation in the various churches receiving aid was quite carefully considered. Also there were extensive discussions as to the policy of the Board and the problem confronted due to the present deficit. According to the action of the Urbana Convention the Home Mission Board was instructed to engage more extensively in church extension work. It is considered, however, by the Board that this will only be possible when the present deficit is removed. It was therefore decided that while the next year we should carry on our regular work, every possible effort ought to be made to clear off the indebtedness of the Board. This will make it possible another year to engage more extensively in Church Extension.

The plan of reducing appropriations twenty percent each year was continued by the Board, and in the majority of cases this has been done.

The Board is co-operating as formerly in the Pastors' Summer Schools and the incoming Secretary, Mr. Sparks, has been appointed as a member of the summer school program committee and instructed to suggest courses of study for Missions and faculty members who will teach Missions in the Summer Schools.

Representatives were also appointed to the Home Missions Council and on the committees of the Home Missions Council as follows: Town and Country, Rev. A. W. Sparks; New American, Rev. H. M. Hainer; Indian Committee, Mrs. Howsare; Negro Committee, Rev. H. H. Short; and to attend the Home Missions Council Meeting in Philadelphia next January, Rev. H. H. Short and Rev. A. W. Sparks.

In order to free the New American Home from taxation the Board has made a proposition to the New England Convention by which the property would be taken over by the New England Convention. It was also voted to transfer the Manchester property to the New England Convention.

It was decided that everything possible should be done to liquidate the indebtedness of this Board by December 31, 1927, and for this purpose the following plans were authorized:

Voted that we authorize the Home Mission Secretary to send out pledge booklets for the liquidation of our debt, and to make personal solicitation to the same end.

Voted that the members of the Board in co-operation with the Home Mission Secretary do all in their power to put across the program of Home Missions; that Regional Conventions, conferences, pastors, churches, summer conferences, and friends of Home Missions be requested to co-operate in the entire

work of the Board and to make a special effort toward the liquidation of the debt.

It is gratifying to the Board that such fine progress has been made by the Riverdale Church, Dayton, Ohio, that no further appropriations to this church were needed. This was also true of East Hounsfield, N. Y., and Ferguson, Iowa.

The following churches received appropriations which amount to \$7,850: Defiance College, Defiance, Ohio; Palmer College, Albany, Mo.; Bangor, Me.; Brooklyn, N. Y.; Columbus, Ohio, (Tentative); Crown Point, Dayton, Ohio; Earlston Field, Everett, Pa.; Irvington Second Church, N. J.; East Hounsfield, N. Y., (Tentative); Lynn, Mass.; Manchester, N. H.; Muncie, Ind.; Red Cloud, Nebr.; Walnut Hills, Dayton, Ohio; West Mansfield, Mass.; Dayton View, Dayton, Ohio; Toronto, Ont.; and Hyde Park, Brooklyn, N. Y.

Aid is also being given to field secretary work as follows: D. P. Hurlburt in the Maine Conference; Field Secretary in the Rays Hill and Southern Pennsylvania Conference; Rev. C. G. Nelson, Red Cloud, Nebr.; Prof. J. N. Dales, New York Central Conference; and appropriations for expenses of three men in the Western Convention; making a total of \$1,475.

The following special fields received appropriations from the Board totaling \$9,250: Indian Work, New American Work, Mountain Work, Logging-Camp Work in Western Washington, Franklinton College and Pastors' Summer Schools.

Other appropriations were made to such work as Home Missions Council and Missionary Education Movement, administration, Christian Missionary deficit, annuity interest, interest on borrowed funds, church extension and deficit, making the total budget \$56,900.

The Home Mission Board intends to do all it possibly can to aid the new Secretary. We realize the embarrassment which will be his in seeking to do an aggressive work when so handicapped by debt, and we ask the approval of the General Board and the hearty co-operation of our pastors and churches in our special endeavor this year to free the Board from debt so that another year a more extensive church extension program may be carried out.

## Department of Foreign Missions

**REV. WILSON P. MINTON, D. D., Dayton, Ohio, Executive Secretary**

**Board of Foreign Missions**—Rev. W. P. Fletcher, D. D., Oshawa, Ont., Chairman.  
Mrs. Alice V. Morrill, Defiance, Ohio.  
Rev. J. O. Atkinson, D. D., Elon College, N. C.  
Rev. E. A. Watkins, D. D., 404 W. Main St., Urbana, Ill.  
Mr. Lee Harvey, 236 Liberty St., Conneaut, Ohio.

Following our accustomed policy of seeking to carry out a well defined program as adopted at the beginning of the year, this department wishes to report its activities based upon its proposals made to the General Board a year ago. Not all the things we hoped to do have been realized, but sufficient progress has been made to justify us in the belief that the work is developing steadily along the right lines. Without repeating the proposals made a year ago, which can be found in *The Christian Annual* of 1926, we wish to record here the actual accomplishments of the year and the plans for the year ahead.

The Woodworths, the Frys, and the Garmans continued their activities along the same lines as last year with good results.

Miss Stacy and Miss Crew spent the year in the Sendai field, carrying much of the work of the McKnights during their absence and adding other activities which each developed in Sendai and at other points. Miss Stacy made regular trips to Ishinomaki and Miss Crew to Tsukidate, each teaching in the government schools and conducting Bible classes.

Both Mr. and Mrs. McKnight studied at Boston School of Religious Education, the former completing a year of work and receiving the M. A. degree last spring. He gave a course of lectures at the Elon Summer School, and both of them did a great deal of visitation among our churches with good results. They attended the General Convention at Urbana and are now once more located in Sendai, Japan, for their second term of service. We have been unable to send any new missionaries out during the year.

The new plant at Naka Shibuya, Tokyo, was completed during the year at a cost of \$7,000 for the land and about \$19,000 for the buildings. It was dedicated January 24, 1926, and provides for the activities of the church, kindergarten, and night school, and also a comfortable parsonage with additional rooms for the two kindergarten teachers. We have added \$750 for kindergarten equipment and the Japanese have supplemented this considerably.

The new parsonage for the pastor of the Azabu church in Tokyo has been completed at a cost of about \$2,500, of which \$1,500 has been paid outright and the balance provided for by a loan from the Azabu Church Building Fund, to be refunded through our regular appropriations.

Two of the eight theological students dropped out during the year, but two were graduated and located in our field as active pastors. The other four continued their studies together with another young man from one of our churches who is supporting himself independent of the mission.

Two kindergarten training students graduated last spring and are now active in our work. One kindergarten training student and two Bible training students continued their studies under our direction. We now have fifteen Japanese pastors, two Bible women, and at least twelve kindergarten teachers in active service.

We record with deep sorrow the passing of Miss Olive G. Williams, who for ten years served the church so faithfully in Porto Rico. Suitable tribute has been paid on other occasions and the January, 1926, issue of *The Christian Missionary* was a memorial to her.

During the year we have erected in Salinas Playa, Porto Rico, a little chapel building dedicated to the memory of Miss Williams. The cost, including furnishings, was slightly more than a thousand dollars and was raised by voluntary contributions from a hundred friends here and some of her friends in Porto Rico.

The Barretts and the Mortons have continued at their regular work throughout the year, but the national pastors have been changed to new fields with good results. One young man in the Ponce church is looking to the ministry as a life work, and two young women have been working with a view to becoming trained kindergartners.

Last August a church was organized at Sabana Llana with twenty-three charter members and excellent prospects.

We have co-operated in the building of a printing plant and bookstore in Ponce which issues a weekly religious paper and other Christian Literature in which the seven co-operating boards are vitally interested.

We had 122 baptisms in Japan last year, a gain of 9; resident church membership decreased from 789 to 660, a loss of 129 due to a change in plans by which some groups formerly reported as churches are now reckoned as outposts. Enrolled enquirers increased from 123 to 215, a gain of 92; Sunday-school enrollment increased from 2,198 to 2,390, a gain of 192; total contributions from Japan churches increased from 6,965 yen (\$3,483) to 7,565 yen (\$3,783), a gain of 600 yen (\$300); pastoral support increased from 2,225 yen (\$1,113) to 2,663 yen (\$1,332), a gain of 438 yen (\$219). Our property in Japan is now worth well over \$170,000.

In Porto Rico, church membership increased from 340 to 445, a gain of 105; Sunday-school enrollment from 930 to 1,129, a gain of 209; Christian Endeavor enrollment decreased from 236 to 233, a loss of three; total contributions from Porto Rico churches increased from \$1,170.83 to \$1,452.68, a gain of \$281.85; pastoral support increased from \$507.00 to \$664.66, a gain of \$157.66. Our property in Porto Rico is now worth well over \$50,000.

A comparison of Foreign Mission receipts for the past two years shows:

	1925	1926
General Fund .....	\$42,046.51	\$49,544.34
Designated Gifts .....	8,058.13	7,671.72
Forward Movement .....	5,238.00	3,000.00
	<u>\$55,342.64</u>	<u>\$60,216.06</u>

A year ago the indebtedness of the Foreign Mission Department was \$9,543.17. On October first this year we had outstanding obligations amounting to \$4,000 and a credit balance of \$3,875.96, making our actual indebtedness \$124.04. This does not include \$1,000 borrowed in Japan to complete the Azabu parsonage which will be repaid from the regular appropriation and is fully covered by the property.

The reduction of the deficit was made possible by serious cuts in the administration expenses here and by equally serious cuts in the work on both fields, together with commendable increase in the regular giving of our people and in the Self-denial offering. We have continued to stress missionary education with increasing effectiveness. Last year 274 churches used our literature in some way or other and this year the number was increased to 294. Last year forty-nine churches held the Church School of Missions and ninety-eight used the supplementary program we prepared, while this year sixty-four held the Church School of Missions and one hundred thirty-one used the supplementary program. Fifty-four of these used both plans simultaneously. We issued a thousand posters and five other leaflets of which four were in lots of 20,000 each. As part of our celebration of the completion of twenty-five years service in Porto Rico we prepared a booklet entitled "Ministry for Christ in Porto Rico" which gave a historical sketch of this work. Reduction of the office force necessarily reduced the field work to some degree so that the secretary made only about a hundred addresses in forty-seven churches and eighteen conferences, reaching about 10,500 people in a widely scattered territory necessitating about 15,400 miles of travel. He attended the Foreign Missions Conference, the Committee on Co-operation in Latin America and the World Alliance for International Friendship Through the Churches. He continued to edit The Christian Missionary. This Department co-operated with the Board of Christian Education by supplying material for the Sunday-school papers, by publishing monthly in The Christian Missionary Mrs. Bullock's mis-

sionary comments on the Sunday-school lesson and by furnishing missionary material for the use of the editors of our quarterlies. The department also furnished the missionary course in one or two of the summer schools, and pushed missionary teaching through a monthly program in the Sunday-school.

1927

For the coming year the Foreign Mission Department hopes to do the following things:

#### IN JAPAN

All the missionaries with the exception of Miss Stacy, Miss Crew, and the McKnights are to continue their work as last year. Miss Stacy has located at Ishinomaki for the year and is enjoying a great field of service with good results already apparent. Miss Crew has located in a little Japanese house in Sendai not far from the McKnights and plans to develop the work begun last year, while Mr. McKnight takes up again his regular work in the Sendai field.

Dr. and Mrs. Woodworth are to come home next spring for their regular furlough which will be six months overdue at that time. At the end of their furlough, if their health will warrant it, they are to be returned to Japan to continue their work at the request of the Japan Mission. He will have reached the retiring age of seventy during his furlough.

We plan to continue the training of the four Japanese theological students, one kindergarten training student, and two Bible Training students, of whom one of the theological students and one Bible Training student will graduate next spring. One other young man and two young women from our churches in Japan are taking training for Christian work without being helped by the mission.

We have voted to buy the church and parsonage buildings now owned by Mrs. Fry at Utsunomiya, Japan, at a cost of \$7,000, payable \$1,000 a year. We also hope to secure sufficient land in Meguro, a suburb of Tokyo, at a cost of \$5,000, upon which to erect a suitable church for this congregation which is rapidly growing.

The Sendai Mission Home is to be repaired and remodeled at a cost of approximately \$1,200, and some furnishings are to be provided for the houses occupied by Miss Stacy and Miss Crew.

We plan to send Rev. and Mrs. L. C. Fletcher to Japan next fall in time to enter language school.

We are to co-operate to a limited degree in the proposed building projects of the American School in Japan and the Tokyo Union Church, both of which are vitally necessary to the American colony of both business people and missionaries.

#### IN PORTO RICO

Mr. and Mrs. Morton are expected to come home in the early spring for their regular furlough which was due last September. We hope to give them a summer course in some mission school and return them to Porto Rico in the fall to continue the work they have been doing at Santa Isabel.

The furlough of the Barretts is due next fall and we plan to bring them home for about nine months so as to enable the children to get in the full school term in America. They are expected to return to the field in the spring of 1928.

Miss Victoria Adams of New Britain, Connecticut, was placed under ap-

pointment and it is planned to send her to Porto Rico when the Mortons return next fall.

Two young women are to be given training in a Porto Rico training school for Christian service.

We hope to build at least one, and if possible two chapels, in Porto Rico during the year at a cost of \$1,000 each and also to acquire a much needed property next to our Ponce church which can be used as a parsonage for the pastor and for additional Sunday-school room. The cost is about \$10,000.

#### IN GENERAL

We hope to assume our reasonable share in the various co-operative missionary enterprises now operating in Japan and Porto Rico and similar organizations in this country.

We expect to continue the present plans for the steady growth of the regular work and particularly the development of the national church in both fields by bringing them to larger self-support and to a larger share in the direction of the work.

A comprehensive program of missionary education has been outlined, including the plans already tried, such as The Church School of Missions, Supplementary Missionary Programs during the Foreign Mission period, a monthly Missionary Program in the Sunday-school and a special plan for pastors to present the subject of Foreign Missions through a series of sermons, prayer meeting talks, and mission study classes, based on the report of the Washington Foreign Missions Convention.

In addition to these plans we will continue our co-operation with the Board of Christian Education in furnishing material for use in the various publications and in the Young People's Congresses, and by representation on the Summer School program committee. Through the columns of The Christian Missionary and The Herald of Gospel Liberty the work of the Department will be presented as usual.

After making some revisions, the new manual for Foreign Missions prepared by the Secretary was approved and will begin to operate this year.

The Board adopted the following Foreign Mission budget for the year 1927:

Porto Rico—		
Regular Work .....	\$12,098.00	
Specials .....	10,518.00	
	<hr/>	\$22,616.00
Japan—		
Regular Work .....	\$30,000.00	
Specials .....	13,725.00	
	<hr/>	\$43,725.00
Miscellaneous Work .....		9,015.00
		<hr/>
Total 1927 Foreign Mission Budget .....		\$75,356.00

The actual needs for the year as presented by the two missions totaled \$99,163.04. This means that many things vitally necessary this year will have to be left out entirely, and if we fail to receive the amount of the appropriated budget, still other work will have to be left undone. Our budget, though conservative, is planned with the faith that our people want to go forward in their Foreign Mission work this year.

## Department of Evangelism and Life Service

REV. McD. HOWSARE, Dayton, Ohio, Executive Secretary

### MEMBERS OF BOARD

Rev. W. J. Hall, Dayton, Ohio.  
 Rev. P. V. Harris, Conneaut, Ohio.  
 Rev. A. W. Hurst, Elkhart, Ind.

Rev. Clarence Defur, Eaton, Ohio.  
 Rev. Stanley Harrell, Durham, N. C.

We can safely say that the last quadrennium was one of the most successful quadrenniums, evangelistically, in our history and there is at present a very fine spirit prevailing.

The work of the last four years had been done large'y without precedent or past tradition. The Board, after prayer and due consideration, has the following to present as our suggested outline of activities for the future. The following recommendations were passed:

### ON CONSERVATION

**First:** (a) That following every special ingathering the church give a reception to the new members.

(b) That we use a service covenant to enlist both old and new members in definite service for the church.

(c) That instruction classes in the meaning of church membership, Christian education, missions, stewardship, evangelism, etc., be conducted.

(d) That a pledge be secured from each member for the current expenses and benevolent enterprises of the church.

(e) That churches make a gift of a year's subscription of our church periodical to each new member received, and if possible to place our church papers in every home of the church.

(f) That, when members move, the pastor and church clerk keep in touch with these people, informing the church where they go, about them and urging the members themselves to be faithful Christians in the new community.

(g) That careful revision of church rolls be made every year in order that membership list be kept up-to-date.

**Second:** That this Board seek to promote its work through pastors' schools, institutes, conferences, and girls' and boys' congresses.

**Third:** That we encourage the organization of men's evangelistic clubs in all conferences and churches, co-operating when possible with movements promoting Christian Education, missions, and other church interests.

### ON LIFE SERVICE

**Fourth:** (a) That we co-operate with the Board of Christian Education in carrying out a Life Service program.

(b) That a Life Service Team make an itinerary of our colleges when agreeable to college authorities.

(c) That a "vocational day" be observed in our churches once a year on the first Sunday in June, at which time the pastors be asked to present the call to the ministry of the Christian Church.

(d) That classes on Vocational Guidance be conducted by the pastor.

(e) That one-day institutes on Life Service in each conference be conducted, to which pastors shall bring two or three of their most promising young men and women.

(f) That pastors place books on Life Service in the hands of their most likely young people.

(g) That the unveiling of Life Service flags in churches be encouraged.

(h) That Life Service commitment cards be filed in the office of the Executive Secretary of Evangelism and Life Service, and that the Executive Secretary keep in touch with these recruits for purposes of encouragement.

(i) That parents be encouraged to consecrate their children to the Christian ministry, and missionary work.

**Fifth:** That we urge pastors and churches to give due prominence to ordination services, making them as impressive as possible, so as to inspire young people to take up the work.

#### ON DENOMINATIONAL PROGRAM

**Sixth:** That we duly emphasize a fall rally day, at which time the church, with all its auxiliaries, such as Sunday-school, Christian Endeavor, Missionary Society Clubs, etc., may inaugurate the fall work of the church in its various phases, this day to be followed by a week of prayer and special services, as recommended by the General Christian Convention at Urbana.

**Seventh:** That we urge that the week of prayer be observed by all our churches and that January be recommended as "Go-to-Church" month. That an intensive evangelistic program be stressed during the season from January first, culminating with a great church ingathering on Palm Sunday and Easter, with a due observance of Passion Week. As a plan to carry this into effect we have the following suggestions:

#### SUGGESTIONS FOR JANUARY

1. Observance of the first week as a Week of Prayer.
2. Enlist the members in a church and school attendance campaign.
3. Ask the members to read the Book of Luke.

#### SUGGESTIONS FOR FEBRUARY

1. Urge the members to read the Book of Acts.
2. Follow the devotional booklet entitled, "Fellowship of Prayer."
3. Conduct a training class for personal workers.

#### SUGGESTIONS FOR MARCH

Carry on a program of personal evangelism leading up to great ingatherings on Palm Sunday and Easter.

#### SUGGESTIONS FOR PASSION WEEK

1. Make this a week of prayer and devotional services.
2. Observe communion service on Thursday night, the anniversary of the institution of the Lord's Supper.
3. Conduct a devotional service on Friday, any time between noon and three o'clock, in commemoration of the crucifixion of our Lord.
4. Conduct a sunrise prayer meeting on Easter morning.
5. The observance of Palm Sunday and Easter as ingathering days.

#### SUGGESTIONS FOR RALLY DAY

That we stress the deepening of the devotional life in connection with Rally Day services in the fall.

**Eighth:** That Passion Week and the Week of Prayer be duly observed and that we stress, with others, Passion Week as a most helpful season for soul winning.

**Ninth:** That a Workers' Library be selected of at least twenty books to be loaned for two weeks to anyone paying the postage both ways.

**Tenth:** That as near as possible we keep in close touch with all Federal Council meetings, State Federations, County Federations, and other meetings where our own people ought to be represented.

**Eleventh:** That we urge the organization of training classes on Evangelism in all our churches prior to putting on evangelistic campaigns. The books to be used may be "Evangelism of Youth," by Gage; Dr. Kernahan's "Visitation Evangelism;" "Motives and Methods in Modern Evangelism," by Goodell, and "Training in the School of Jesus," by Burton.

**Twelfth:** That we seek to aid the pastors of the Afro Convention in promoting Evangelism and Life Service by co-operating in the pastors' school at Franklinton, North Carolina, and by such means as may seem advisable.

**Thirteenth:** That we favor the holding of retreats on Evangelism in each of the regional conventions during the summer of 1927, details to be worked out by the Executive Secretary and the Regional Secretaries as far as possible.

**Fourteenth:** That "100,000 personal interviews between now and Easter" be the slogan for our 1926 and 1927 evangelistic period.

**Fifteenth:** That the Board urge pastors and churches to use the group, district, conference, or other county plan in promoting evangelism and that we urge pastors to exchange work in so doing.

**Sixteenth:** That a budget of \$6,023.00 be adopted as a minimum for the coming year.

**Seventeenth:** That we recommend our Board be granted 5% of the funds from the general budget the coming year.

**Eighteenth:** Whereas the Board of Evangelism and Life Service is at present in debt to the extent of \$2,620.51 and since there will be no regular sources of revenue until the date of our offering, April 24, 1927, and since the minimum budget for the coming year is \$6,023.00, the Board is faced with the necessity of providing additional sources of revenue. We therefore recommend that the Executive Secretary immediately give the major portion of his time and effort to solicitation from individual members of our constituency, until sufficient funds are raised to place our work on a sound financial basis.

## Department of Publications

MR. H. E. SIMS, Piqua, Ohio, Executive Secretary

### MEMBERS OF BOARD

Rev. W. J. Young, Mt. Sterling, Ohio, Recording Secretary.  
 Judge O. W. Whitelock, Huntington, Ind., Treasurer.  
 Dr. J. N. Dales, Lakemont, N. Y.  
 Rev. W. W. Staley, D. D., Suffolk, Va.  
 Mr. U. G. Brownell, New Bedford, Mass.  
 Rev. A. E. Kemp, D. D., Troy, Ohio.  
 Rev. C. E. Huff, Oronoque, Kansas.  
 Mr. J. O. Winters, Greenville, Ohio.

The Board of Publications under the new Constitution is organized with an Executive Secretary, who is the Secretary of Publications, a President of the Board, a Recording Secretary, and a Treasurer, with an Executive Committee of five members. The Executive Committee being the same personnel of a like Committee of the Trustees of The Christian Publishing Association.

The only fund this Board has ever had for its use was five percent of the Forward Movement fund. Of this fund twelve thousand dollars have been set aside for a permanent fund, the interest from which is to be used for the small administrative expense and for the publication of tracts and booklets of general benefit to the Christian Church and also to do such other publishing as may be ordered by the Board or recommended by The General Convention of the Christian Church.

Since the establishing of this fund, many important books and pamphlets have been published for free distribution. In addition a considerable number of The Herald of Gospel Liberty has been sent for the past few years to a strategic list of persons recommended by Dr. Kerr, Editor of The Herald of Gospel Liberty, and a free list of The Journal of Christian Education sent out to persons selected and recommended by Dr. Harper, Secretary of Education. By request of Dr. Harper and order of the Board of Publications two hundred copies of Prof. Bennett's book, "The Christian Denomination and Christian Doctrine," were sent to as many college and university libraries.

It has been the policy of the Secretary and Board of Publications to publish for free distribution historical matter concerning the development of the Christian Church, and also outstanding discussions of the principles of the Christian Church.

We believe these publications are of very great benefit and should be continued. Our limited funds will not permit the publication of as many of these tracts and booklets as would be useful to the Church. The Board would welcome any gifts or bequests to the Publication Fund to be used for publishing literature for free distribution. The following list has been published for free distribution:

## PRESIDENT COFFIN'S ADDRESS

We have just from the press and ready for distribution President Coffin's Convention address made at Urbana, Illinois. This address and any other of the above publications will be sent free on receipt of postage. Use as many as you can but do not waste them.

This Board hopes to continue to be of great service to the Church.

## Bureau of Christian Stewardship and Promotion

WARREN H. DENISON, Secretary

Report for the year ending September 30, 1926

The year has been a busy one, without a vacation, but a happy one and we believe a fruitful one. The work in this Bureau is not showy. It does not loom up in large figures but is educational and constructive. It is vitally essential to the development of our whole work. The recent Convention ordered this work promoted intensively throughout our whole church until every church shall have felt the impact of its message. It might well have added that it must be given over and over again.

## ACTIVITIES

We have traveled 14,480 miles and have spoken 234 times on a great variety of occasions. We have worked in eleven different conferences: The Miami Ohio; Northwestern Ohio; Ontario; Eastern Indiana; Western Indiana; Eastern Virginia; Western Michigan and Northern Indiana; Southern Wabash, Illinois; North Carolina and Virginia; Northwestern Indiana; Eel River. We have attended four annual conference sessions: Western Michigan and Northern Indiana, Eastern Virginia, Northwestern Ohio, and Western Indiana.

We have conducted twenty-six institutes in four States and Canada, and have spoken in forty-nine different churches.

We have spoken before local church congregations, Sunday-school classes, Christian Endeavor societies, official boards, ministerial meetings, business men's clubs, missionary societies, woman's conference mission boards, conference and regional convention sessions, joint conventions, quarterly conferences, home-comings, ordinations of ministers and deacons, summer schools, young people's conferences, religious associations, and various other groups. We have conducted financial campaigns for dedications and assisted in opening days and dedications. At South Norfolk, Va., Church over \$50,000 was subscribed on opening day. We have conducted financial campaigns preparatory to, and assisted in putting on, the Every-member canvass in local churches and in conferences where they seek to have the canvass simultaneously. We have promoted church administration, assisted in church organization, advised as to church and conference constitutions, held consultations with those planning church finances. We have stressed the church year denominational program and the development in the churches and conferences of all five points of it: *Devotion, Evangelism and Life Service, Christian Education, Missions, Stewardship and Finance*. We have gathered the denominational financial statistics for the United Stewardship Council.

## CONFERENCE SIMULTANEOUS EVERY-MEMBER CANVASS

The need for the churches of a given conference conducting their Every-member canvass simultaneously is more essential than some have thought. Before this can be done very extensively some very important preliminary work must be done and in this this Bureau asks your co-operation:

A. It must be realized that the local church year need not close with the conference year.

B. That the church year and conference year should be made to close with a calendar quarter.

C. That pastors should be "called" by churches indefinitely and not be "hired" by the conference year. The conference need not be concerned as to the time when a pastor shall begin or close his work in a church. Numerous churches now begin their church year January first though their conference meets in the autumn. Churches are learning to co-operate in this respect and will do so still more. Some conferences do not meet until September but the year of all their churches close June 30. If some churches and conferences do it others can and some day they will.

The Every-member canvass in standard form, is vital to our work. It is necessary for a watchful care on the part of pastors, stewardship secretaries, financial boards, and conference officers to see that benevolences and local current expenses are kept in their right proportion. There has been a tendency during the last few years to greatly increase local expenses without a corresponding increase in denominational benevolences and sometimes, too, at the expense of denominational benevolences. The difference is yet too marked but there has been an improvement the past year. The time is now here when several of our churches should give as much or more for benevolences as they do for their local work. There should be no let up until our churches generally are convinced of the value of the double budget, the Every-member canvass, the duplex envelopes and the two-treasurer plan.

## LITERATURE

There is a growing use of Stewardship literature. A number of our own workers are writing stewardship material worthy of permanent use in pamphlet form. Rev. Alfred W. Hurst has written "The Every-member Canvass—Its Educational Value," Rev. F. C. Lester, "How Spend My Money," Rev. H. S. Hardcastle, "The Personal Element in Giving," Rev. F. E. Rockwell, "Whose Is It?," Mrs. F. E. Bullock, "Stewardship Stories for Children." Mr. Lester's pamphlet has been sought by another denomination for a reprint and the request granted. The editors of *The Herald of Gospel Liberty*, *Sunday-school literature*, *The Christian Missionary*, *The Journal of Christian Education*, *Christian Sun*, *Christian Vanguard* have co-operated splendidly with this Bureau. We have furnished a column each week to *The Herald* and *Sun*. We have published 35,000 copies of leaflet literature and pamphlets and have purchased 3,300 pieces from other denominations. At conferences, institutes, and convocations we have sold hundreds of stewardship books, budget books, wall charts, to individuals, to churches, and for workers' libraries. This is a most valuable form of work. We work on the slogan "At least one real stewardship book in every home."

We are furnishing pamphlet and leaflet literature free as samples to denominational officials, pastors, stewardship secretaries, and a package for each

conference and institute session and upon request. When churches desire it in quantities for local use we charge a nominal sum of one dollar per hundred copies. We rejoice that so many of our most forward looking pastors are purchasing the best stewardship books for their libraries.

#### INTERDENOMINATIONAL RELATIONSHIPS

Your secretary has represented the denomination on the United Stewardship Council and was on the program on two of its stewardship conferences at Pittsburgh and Toledo. He is a member of the Conference of Promotional Secretaries, a member of the Executive Committee of the Men's Church League, and is our representative on the Social Service Commission of the Federal Council of Churches.

#### FINANCES

We have faithfully followed up the unpaid subscriptions made to the Forward Movement. There has been a very fine spirit shown on the part of thousands of our subscribers. Scores accompany their gifts with words of kindest appreciation of the privilege of having a part. A goodly number not only paid their five-years' subscription in full but have continued annually with the same amount thus making seven or eight payments. The Urbana Convention directed that no further statements be sent to those in arrears after January first; and that their payment be left to the individual conscience. The Convention expressed the earnest hope that all would feel the sacredness and binding obligation of their subscriptions and requested our pastors to encourage their full payment. *It is now a matter of their own conscience.* All payments have been turned over to Mr. J. O. Winters, Treasurer of these funds, at the end of each month. All Forward Movement subscriptions after January first are to be paid to Warren H. Denison who becomes Secretary of Finance in accordance with the action of the General Convention and who will handle and distribute them as heretofore.

As we get a fuller view of the Forward Movement and its accomplishments we rejoice and thank God for the day it came to our church.

#### AUDITOR'S REPORT

Dayton, Ohio, October 6, 1926.

#### TO THE GENERAL CONVENTION OF THE CHRISTIAN CHURCH

We have this day completed a detailed audit of the books, accounts, and records of the Bureau of Christian Stewardship and Promotion as kept by Secretary Rev. Warren H. Denison, D. D., and find them carefully kept and all funds properly accounted for. All receipts had been promptly remitted to Treasurer J. O. Winters at the close of each month. We also found proper

vouchers for all expenditures and reconciled the Cash and Bank accounts which agree with the amounts shown by the books.

(Signed)

S. O. ALBAUGH,

A. F. CHASE,

*Auditors.*

Our office Secretary, Miss Gwendolyn McDaniel has rendered faithful and efficient service.

#### MISCELLANEOUS

1. The work of stewardship institutes is most valuable. This is shown by the increasing number of calls to churches. Churches and pastors are now welcoming the message and methods and recognizing the value to their churches and lives.

2. One of the most hopeful features of the work is the large number of carefully selected stewardship books that our pastors are purchasing. If we may continue this placing of stewardship books in the hands of pastors and in the homes a permanent work will result.

3. There is no substitute for a definite, annual stewardship program in local churches apart from the raising of money. Sermons, study classes, essays, reading contests, Bible study, the use of literature and charts, enrollment of tithers, a study of methods of church finance, pageants, are essential so that all ages and groups in the church may be instructed.

4. The Convention recently planned for a simple, efficient, equitable budget plan for our benevolences as we recommended a year ago. We hope this quadrennium will see its full adoption and practice.

5. We again urge all churches to use the annual Every-member canvass. It is just as practical and helpful for a small church as for a large church, a rural church with part time preaching as for a city church. No church in this day can afford to omit using it.

6. There must be no soft-pedaling the money side of the Stewardship message. The Kingdom of God cannot be extended without definitely preaching money and giving money. When the church gets money from people it gets them. Where one's treasure is there his heart is. The real need is for people to give money both for their own spiritual lives and for the cause of Christ. Money is the acid test and there is no need in giving the stewardship message to say that money is not the main thing. The thought of this age is on money and the church must make that message plain and the people will receive the message willingly. The most reliable test of the average Christian's devotion is made and the claims of God upon his affection and life are most readily and practically acknowledged by the Spirit and the measure of his consecration of material accumulations.

The New Bureau of Stewardship and Promotion as elected by the General Board is: Warren H. Denison, D. D., Secretary; E. A. Watkins, D. D.; Mr. Perry G. Yantis.

II. *Report of Budget Committee:*

The Treasurer's Report for 1925-26 shows a balance in the bank to the credit of the Educational Department of \$6,254.82, of which \$1,564.65 is permanent funds. The amount received through the Secretary of the General Convention and the Department of Christian Education from October 1, 1925, to November 28, 1926, from the churches and other sources was \$9,012.57. Allowing for such increase in the annual offering as past years warrant we may safely reckon on approximately \$8,000 a year from this source.

Our estimated revenues for 1926 from these two sources would be approximately \$12,690.17.

## 1. We therefore recommend the following minimum budget:

## BUDGET

Expenses, Editors and Field Secretaries, our part .....	850.00

\$25,000.00

2. That under the direction of the Secretary of Higher Education plans be made to raise an additional amount for Higher Education for current purposes the present year, according to the following schedule:

Scholarships .....	\$ 2,500.00
Defiance .....	22,500.00
Palmer .....	15,000.00
Union Christian .....	5,000.00

Total .....\$45,000.00

The money raised by the individual colleges or coming to them for current purposes from Christian Church sources shall be counted as applying on the above amounts.

## RECOMMENDATIONS

Inasmuch as the Board of Christian Education reported in detail to the General Convention in session at Urbana, Illinois, October 20 to 28 and inasmuch as a Committee on Christian Education also made a detailed report at that time, we refer to these documents in lieu of an extended exposition of the Board's activities and plans at this time.

The Board, however, at this session in considering the actions of the Convention in session makes the following recommendations.

(1) That inasmuch as Mrs. Bullock can only give the summer vacation period to field and promotion work and inasmuch as Miss Lucy M. Eldredge who has served as headquarters Office Secretary will enter Boston University in February, serving after that time, while she is in the University as Secretary of the Young People's Division only, the Board has found it necessary to employ an office secretary.

(2) The Board adopted the policy of vigorous promotion of our Summer Schools, with the thought of making them more and more institutions providing credits in leadership training of High School, College, and Graduate grade. In these Summer Schools also the Board adopted the policy of promoting the general aims and program of the General Convention. In order to make this plan effective, although the General Board has placed responsibility for the Summer School program on the Board of Christian Education, it was decided to ask each constituent Board of the Convention to appoint a representative to serve on the Summer School Program Committee, the purpose of this committee to be to outline courses of study and suggest possible faculty members for our various schools. Also in this connection it should be said that the Board voted to continue the nine schools already in existence and approve the idea of opening an additional school at Union Christian College this summer.

(3) In addition to the curriculum items set forth in the reports to the General Convention in session at Urbana, the following was adopted:

"We appreciate the fine spirit of co-operation exemplified by The Christian Publishing Association in giving us Group Graded Lessons for the Primary and Junior Departments. We recommend that extension upward of these Group Graded Lessons into the Intermediate and Senior Departments as our next objective for improving our literature.

"For years to come in most of our churches, we recognize that there will be a need for the uniform lessons for young people and adults, but increasingly there will be demand for elective courses in Leadership Training, Missions, Stewardship, Evangelism and Social Service in our schools. We recommend that our secretaries promote these wherever this is a felt need, ordering the books through The Christian Publishing Association.

"We have for four years consistently recommended the promotion of the Syndicated Closely Graded Lessons by The Christian Publishing Association. These lessons are carried in stock by the United Brethren Publishing House. They propose to give us a commission of two-thirds percent on orders they can fill from stock and of ten percent on other orders for this literature. We, therefore, recommend that The Christian Publishing Association advertise this closely graded literature and furnish it to these schools not specifying another kind in their orders.

"We note with hearty approval the steady improvement of our literature and rejoice in it. We frankly admit that it has not as yet attained the ideal we entertain for it. We know that experience is the best curriculum as well as the best schoolmaster. The old theologians were close to the base of things when they insisted on a vital spiritual experience. Our literature is showing signs of the proper appreciation of this need and life-situations are being

introduced in our treatment of the lesson materials. Ere long we shall determine the materials we embody in the curriculum by the pupil-experience of those to be taught and not vice versa as now.

"We are particularly glad that the integration of our church year with the lesson materials continues to go forward. A completely integrated curriculum is many years ahead, but we are traveling in the right direction and should never lose sight of our ultimate goal, a unified group instructed in the ways of the Lord and in methods of promoting his Kingdom through an integrated program of instruction based on group experiences.

"For the quarterly review lessons, Uniform Series, for the calendar years 1927 and 1928 we recommend the following:

Second Quarter 1927—Christian Character and Church Membership.

Third Quarter 1927—The Liberty of Conscience and the Use of God's Word.

Fourth Quarter 1927—Vital Piety in the Christian Program.

First Quarter 1928—Recruiting for the Kingdom.

Second Quarter 1928—Education for Christian Life and Service.

Third Quarter 1928—The Christian and His Money.

Fourth Quarter 1928—The Stewardship of Life.

"We also recommend that Dr. S. Q. Helfenstein be requested to select the Scripture passages and golden texts for these themes."

(4) The Secretary of the Young People's Division submitted a program for 1927 for the Young People's Work, entitled "Youth in Partnership with Jesus Christ" which was unanimously adopted as follows:

Themes for monthly emphasis:

January—A Year in Partnership With Christ and With Others.

February-March—In Partnership for a Christian World.

April—In Partnership Through Christian Decisions.

May-June—In Partnership for a New America.

July—In Partnership for a Better Leadership.

August—In Partnership in God's Out-of-Doors.

September—In Partnership With Our Colleges.

October—Organized for Service in the Local Church.

November—In Partnership Through Giving.

December—The Way to the Best.

Through our regular literature and in special ways this program is planned to go to the youth of the church, and the Young People's Division of the Christian Education Department will seek the counsel and co-operation of all other Departments in all plans for Young People's Work.

(5) The Board approved the calling of a meeting of young people leaders of Young People's Congresses, the first of December, appropriated \$150.00 to meet expenses, and desires the co-operation of all departments with its Young People's Division Secretary, that the whole program of the General Convention may be placed before these young people leaders.

(6) The Board of Christian Education recommends to the General Board that representatives of each of the constituent Boards of the General Convention be included in planning the blank to be prepared for the survey as authorized for the Church by the General Convention. Our Department suggests that in addition to the large quadrennial blank for survey, a more simple blank be made for annual reports.

(7) Upon the recommendation and request of the Southern Christian Convention, we recommend the approval of Miss Pattie L. Coghill as Regional Director of Christian Education in that Convention.

(8) It was voted to leave the safeguarding of the Board's interests in the Julia Wilkinson farm to Dr. Omer S. Thomas and the Home Mission Department.

(9) The Scholarship Committee submitted a new blank for applications for scholarship aid which was approved and ordered printed.

(10) The Manuscript Committee recommended that Mrs. Bullock be requested to submit for possible publication her pageant entitled "The Christian Church" and that Prof. S. A. Bennett likewise be requested to submit his Daily Vacation Bible School course, "Enterprises of the Christian Church."

(11) The Board of Christian Education designates the third Sunday in January as Day of Prayer for the Colleges.

(12) In co-operation with the Board of Evangelism and Life Service, the Board of Christian Education voted to promote a Life Service Day.

(13) The Special Committee on Colleges of the Board is to arrange for the promotion of College Day throughout the denomination at some appropriate time in the fall.

(14) The General Convention urged the Board of Christian Education to give special attention to Christian Endeavor. We find upon a careful study of the facts that this has already been done, as evidenced by the increase in membership in Christian Endeavor Societies from 7,141 to 11,317 during the past quadrennium.

(15) The General Convention also recommended a survey of the colleges by an outside agency. The Board does not think it wise to undertake this at this time.

(16) The General Convention also referred to the Board the matter of selecting some outstanding seminary to which we should recommend our young ministers in preparation to resort, the understanding being that some member of our church should be added to the faculty on an agreed basis. A special committee has been appointed to handle this matter.

(17) The General Convention in session at Urbana approved the declared intention of the trustees of Union Christian College to reopen that institution as a Bible School for training ministers and Christian workers. Since the Convention adjourned the trustees and stockholders of the college have met and have submitted to the Board a report which was approved, as follows:

"The stockholders of Union Christian College met in Merom, Indiana, on November 29, 1926, and by a vote of 92 to 14 decided to take the necessary legal steps to change the grade of the school from that of a Liberal Arts College to that of a training school for ministers and lay workers in the field of religious education and to reopen it as such in September, 1927. The trustees met immediately thereafter and approved this action.

"The Executive Secretary of this Board and your attorney, Mr. John V. Sees, were present in both these meetings. They asserted the equity of The General Convention of the Christian Church in the holdings of Union Christian College, caused record of the same to be made in the minutes and stated that this equity would be defended to the full limit. Our people evidenced their hearty approval of this attitude and decision.

"The trustees request this Board to promote a Summer School at Union Christian College beginning June 14, when they propose to have a public service projecting the new type of school, the time of their annual trustee meeting.

"A committee consisting of Rev. E. A. Watkins, President, Rev. J. T. Brooks, trustee, and Dr. A. B. Kendall, member of this Board, was appointed by the trustees to plan the courses of study and arrange for a faculty for the new school.

"The Board of Christian Education is urged to give serious consideration to its relationship to Union Christian College.

(Signed) E. A. WATKINS, *President.*"

(18) The Board of Christian Education approved "An Integrated Program of Religious Education" by Harper as a Leadership Training text for Summer Schools and Leadership Training classes for credit in the Christian Church and recommended same to the International Council for its approval.

(19) The Board of Christian Education took action in regard to the General Convention's suggestion for an all-time College Secretary and voted to elect and put in the field as soon as possible a Secretary for Higher Education to be known as the General Secretary of the Board of Christian Education.

(20) That Rally Day be designated as the day for the annual offering in our churches for Christian Education.

(21) That the Executive Committee of this Board be made the Investment Committee of this Department.

(22) That Mr. Hermon Eldredge be made the bonded custodian of the funds at Department Headquarters.

(23) That Dr. W. A. Harper be elected full-time General Secretary of the Board and Secretary of Higher Education, details of the agreement covering salary, expenses, and program of work to be determined by the College Committee in consultation with Dr. Harper.

For the Board of Christian Education—

FOOTNOTE 1. Dr. W. A. Harper, president of Elon, writes: "A survey of the colleges in co-operation with the other colleges of the church is needed to find its place in the denominational life and program, and a financial policy based on denominational resources and the college's contribution to the denominational progress. The trustees think that the college deserves money to pay its bonded indebtedness and added endowment sufficient to give it a total of \$1,000,000 of permanent funds; but the survey might show this to be too low or too high, judged on a scientific basis. What our institution wants or thinks it needs may not be best for the denominational program. A survey by experts outside the denomination should properly settle such matters for us."

FOOTNOTE 2. Special attention is called to the unusually fine increase in the enrollment at Palmer for the last year of the quadrennium. There was a gain of 102 nearly fifty percent. It is even more gratifying to know that thirty-six of this number were gained in the College of Arts and Sciences.

FOOTNOTE 3. It is quite probable that the enrollments of our various colleges are not all based on the same plan of accounting. Your committee suggests that a uniform plan be adopted by our institutions to make reliable comparisons possible.

FOOTNOTE 4. The "Students From Christian Homes" as given for Elon is the number actually belonging to church. The number from Christian Church homes would be still larger.

FOOTNOTE 5. The situation with reference to Union Christian College and the Marion area is too unsettled for your committee to make any recommendation further than that the matter of safeguarding our property rights in the institution be vigorously pursued; and that whatever final disposition of Union Christian College shall be made the Board of Education be instructed to give due consideration to the particular ministerial needs of our churches in this area and to work out some feasible plan that will give promise of supplying these needs.

The Christian Camp Meeting Association was organized in 1872. A tract of land was purchased on the south shore of Cape Cod, where the association has control of one of the finest beaches in the world and where there has been developed a summer colony named Craigville with some fifty or sixty cottages and bungalows, the Tabernacle, Craigville Inn, post office, five hundred bath compartments with the pavilion, garages, and other equipment. The organization is incorporated under the laws of the Commonwealth of Massachusetts and by its constitution the president, vice-president, secretary, treasurer and five of the other eight members of the board of directors—the controlling body—must be members of the Christian Church. Craigville is coming to be recognized more and more generally as the common meeting place of the constituency of the Christian Church in New England and here is held annually the New England Summer Conference. The next session of the conference is to be held from July 5 to 15, 1926. It is planned that each day after the opening devotions and the Bible Study

the school will divide into three groups, one for those of high school age, one for those of college age and one for adults. New classrooms have been provided especially for these classes in the Tabernacle. A fine faculty and curriculum are being provided. Special information and terms supplied by D. P. Hurlburt, chairman committee on Religious Activities, 500 Hammond St., Bangor, Maine.

## KENTUCKY CHRISTIAN

Accompanying this report was a letter signed, "John Garvin, Secretary, per R. G. Short," saying that originally there was but one Christian Conference in the State, but that the throng was so great, and so burdensome to the people, that the Conference was divided into two districts—Number One and Two—and that later on another division occurred. The letter further states in the following language, "I want to beg to say to you that we are the old, original Kentucky Conference, so we withdrew the two districts, and have placed our name the Kentucky Christian Conference."—Editor.

## General Summary

The Christian Annual for 1926, contains tables and summaries that need not be repeated in 1927, e. g., the location of the churches, the number of churches in each Regional Convention, and the number of members, etc.

It is quite difficult to correctly summarize all the items reported by churches, and the summary given here includes, so far as the offerings are concerned, only the ones authorized by the General Convention.

The number of members received, the number lost, the number gained, last year's membership, the present membership, and the several amounts contributed, were all carefully taken from the reports as given by the conference secretaries, and verified by competent proof reading. A wide difference is seen between the total membership of last year, and this, but the reports are printed as they came to the editor.

Many reports did not state how losses were sustained; they simply stated the number lost or gained.

Some conferences left all the financial blanks in the report unfilled, and included all their benevolences in the total amount contributed.

The churches of the Southern Christian Convention use a different report blank from the one in use in the other sections of the Church, and in them the amounts given to missions were not divided between home and foreign, but to missions. In the summary such sums are credited to foreign missions.

The reports, as summarized, are the reports as given by the churches, and may, or may not, correspond with the amounts shown by the Convention records, for the Convention records show, in many instances, personal gifts, bequests, and interest, that are not reported by the churches, and when one reads the reports as given here, one should keep the above fact in mind.

Whole number of conferences reported .....	60
Whole number of ordained ministers .....	785
Whole number of licentiate ministers .....	132
Whole number of churches .....	950
Whole number of members reported in 1926 .....	100,772
Whole number received during the year .....	6,097
Whole number lost during the year .....	3,899
Whole number gained during the year .....	2,652
Whole number reported for 1927 .....	99,804
Whole amount contributed to pastor's salary .....	\$450,226.17
Whole amount contributed to the General Convention .....	3,042.25
Whole amount contributed to Christian Education .....	10,143.92
Whole amount contributed to Foreign Missions .....	39,536.52
Whole amount contributed to Home Missions .....	16,871.81
Whole amount contributed to Evangelism and Life Service .....	652.71
Whole amount contributed to Federal Council .....	418.09
Whole amount contributed to Aged Ministers' Home .....	955.16
Whole amount contributed to Relief .....	3,884.50
Whole amount contributed to all other purposes .....	380,246.04
Whole amount contributed for all purposes .....	962,606.62

Including the number reported by the Afro-Christian Convention, in 1926 (6,045) and the number unreported, as estimated, (5,393), and the estimated number of members belonging to churches that have ceased to hold service, (2,894), we can account for 114,136 members.

## MINISTERIAL DIRECTORY

The usual care has been taken to make the ministerial directory reliable as to name, conference membership, and post-office address, but until changes are promptly reported inaccuracies are inevitable.

There are a number of names listed in the directory with the figures 1926 connected with them. Such names were omitted by the conference reports. Thinking that they might have been unintentionally omitted, and knowing the embarrassment of worthy names not appearing in the directory, and seeing that some of them had been pastors of churches during the past year, and that some were engaged for the present year the editor decided to list their names.

The editor of The Christian Annual does not presume to say who are members of conference, and names appearing in the ministerial directory with the figures 1926 attached, simply means that they were reported in that year.

## Keeping Faith for Three Centuries

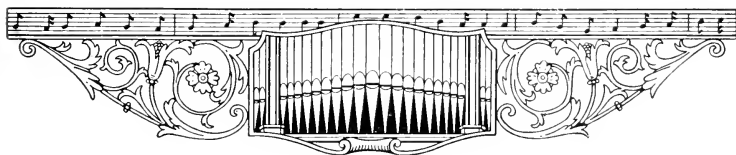

---

Ever since Sebastian Kilgen built the first pipe organ which bore his name, Kilgen Organs have been living up to their inspiring task of providing stately melody for religious services.

A will to keep faith with Faith went into that first Kilgen, built in Durlach, Germany, in 1640. During almost three centuries of fine craftsmanship it has not been lost. . . . Today it is a distinctive element of every instrument built in the world's largest pipe organ build.

Services in the Country Club Christian Church, Kansas City, and in scores of other Christian churches, are attended by the inspiring tones of Kilgen Pipe Organs. . . . If you would have all that is beautiful and dependable in religious music, confer with Kilgen architects. Your inquiry is made without obligation.
